

End of Sale Notice

Notification Date: 28 June 2016

Revision Date: 30 Dec 2019

Effective Date: Various

Subject: End of Sale – Avaya Common Servers Release 2
HPE DL360PG8

Theatre/Region: Global

Revision History

Revision Date	Reason for change
28 June 2016	Initial version
20 September 2016	Up-issue
9 January 2017	Up-issue
15 February 2017	Up-issue
17 May 2017	Up-issue
30 December 2019	Up-issue

Summary

Effective **on the dates shown below** Avaya will no longer sell (make commercially available) certain HPE ProLiant™ DL360PG8 models of the Avaya Common Servers (“ACS”) Release 2 portfolio. These models will be replaced by HPE ProLiant™ DL360G9 servers as part of the transition of Avaya turnkey applications to ACS Release 3. While all HPE ProLiant™ DL360PG8 servers will eventually go End of Sale, only the specific models listed below are covered in this notice.

The affected order codes will transition either directly to a “MD/D” status or to an interim “MRSD/L” status. Avaya will respond to orders for the affected codes subject to availability of stock.

Discontinued Order Codes and Migration Strategy

Schedule

End of Sale Date (last day to order new systems)	As noted above
End of Manufacturer Support for SOFTWARE *	n/a
End of Manufacturer Support for HARDWARE *	3 years after MD/D date

© 2019 Avaya Inc. All Rights Reserved. All trademarks identified by the ® or TM are registered trademarks or trademarks, respectively, of Avaya Inc. All other trademarks are the property of their respective owners.

Last day to purchase system expansions	n/a
Last day to purchase a new Avaya services contract *	1 year after MD/D date
Targeted End of Services Support	3 years after EoMS date**

** Per Avaya Product Lifecycle Policy*

***Avaya Services may revise the Target End of Services Support date based on the availability of quality repair parts and/or technical support expertise. Customers should always consult any available product Services Support Notices for final information on product supportability.*

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.

Renewals of existing Avaya service contracts covering this product will be allowed until further notice.

Supply Availability

Avaya will make every effort to supply the ACS models for all orders but cannot guarantee product availability through the End of Sale date. Avaya reserves the right to manage and/or limit order quantities, or to cancel orders if supply is no longer available. Customer orders will be fulfilled on a first-come, first-served basis. If supply is exhausted prior to the targeted End of Sale date in this notice Avaya will accelerate removal of the applicable product codes from price lists and associated order entry systems. If ACS supply is no longer available requiring order cancellation, customers will be notified to re-order with the appropriate alternate server order code.
