

Title: Confirmation of Product Transition from Sun Blade 150 and Fire 280R to Sun v245 and Sun Netra T2000

Notification Date: 28-Aug-2008

Avaya has previously offered the Sun Blade 150 for IR 1.0, IR 1.1 and IR 1.2 and Sun Fire 280R for IR 2.0. Due to Sun's End of Sales policy Avaya wants to confirm that these platforms cannot be ordered.

This communication is intended to restate that in accordance to Sun's end of sale / support policy Avaya announces that:

- effective immediately Avaya will no longer sell Sun Blade 150 and Sun Fire 280R
- effective **June 30th 2011** Avaya will no longer provide Manufacturer Support Sun Blade 150.
- effective **April 30th 2010** Avaya will no longer provide Manufacturer Support Sun Fire 280R.

Please note that customers can upgrading to IR 3.0 on existing Sun Blade 150 and Sun Fire 280R servers. See release notes for further details.

Schedule

End of Sale (EoS) – New Systems	immediate
End of Sale (EoS) – System Additions	immediate
End of Manufacturer's Support – Sun Blade 150	30-June-2011
End of Manufacturer's Support – Sun Fire 280R	30-April-2010

End of Manufacturer's Support

The End of Manufacturer's Support availability represents the final date that Avaya will provide manufacturer's support for the product per the Avaya Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Services, BusinessPartners or other service providers. For additional information concerning long term support please contact your Service Provider.

**Service and Warranty**

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by BusinessPartners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.
