

Title: Product Transition for OCTEL® 250 (ARIA®) and OCTEL® 350 (ARIA®) to Modular Messaging

Notification Date: June 30, 2005

Effective June 30, 2006, Avaya will no longer sell Octel 250 (Aria) or Octel 350 (Aria) new systems or upgrades. Sale of additions and expansions will be supported until June 6, 2007.

Avaya will provide manufacturer support for the maintenance of Octel 250 and Octel 350 systems, subject to the terms and conditions of your maintenance contract and a specific system's release status, through June 30, 2011. After this date, Avaya may choose to provide some level of extended support, which will be evaluated based on future parts availability and other factors.

The following product components are included in this announcement.

Discontinued SAP/PEC Codes:

Migration Strategy

Your Avaya account team or authorized Avaya BusinessPartner will work with you to understand your communications needs and explain how Avaya can meet your requirements with our latest generation messaging solutions. They will be able to share with you how the improved technology offered in the **Modular Messaging platform – including the Modular Messaging Aria Telephone User Interface (TUI)** – can benefit your business, protect your investment, and lower your cost of ownership.

Avaya now offers a variety of messaging products and solutions. Use the links below to find information on these products.

If you have questions or would like more information about these products, click [here](#) and an authorized [Avaya Representative](#) will contact you.

Schedule

End of Sale (EoS) New and Upgrade systems	June 30, 2006
End of Sale Additions and Expansions	June 30, 2007
Period of Support Availability after EoS	5 Years

Minimum Period of Support Availability

The Minimum Period of Support availability represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya Manufacturer Support commitment. The Avaya Manufacturer Support Policy can be found [here](#). Support may be extended past that period at the discretion of Avaya Services, Business Partners or other service providers. For

additional information concerning long term support please contact your Service Provider.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site. Information about Avaya Extended Support can be found [here](#).

For additional Information about Avaya Solutions please visit the [Avaya Business Solutions](#) Web site.
