End of Sale Notice Update for Avaya S8400 Server

Effective February 5, 2009 Avaya will only sell the S8400B server, and will no longer sell the S8400(A) server. This End of Sale notice is effective for all channels and all regions. This move by Avaya is a result of the natural progression of our server product line. This is a positive move for the market and results in improved capability and quality of our products.

Hardware: Discontinued SAP Codes

Minimum Period of Support

The Minimum Period of Support represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya's Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Services, Business Partners or other service providers. For additional information concerning long term support please contact your Service Provider.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers.
