Minimum Period of Support Availability

The Minimum Period of Support availability represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product per the Avaya's Manufacturer Support Policy. Support may be extended past that period at the discretion of Avaya Services, BusinessPartners or other service providers. For additional information concerning long term support please contact your Service Provider.

Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by BusinessPartners or other service providers.
