## End of Sale and Support Notification for Select Juniper Products

Avaya will no longer resell select Juniper Networks products identified within the document effective May 4, 2009

The removal of these products from our ordering systems is in support of an Avaya strategy change in moving to a Channel Centric Model. This action by Avaya and notice is not linked to any lifecycle actions by Juniper Networks.

## Minimum Period of Support

The Minimum Period of Support is defined in Avaya's Manufacturers Support Policy and represents the minimum period of time after the product end of sale date, during which Avaya will make available support for the product. Please be aware that the Manufacturers Support Policy does not pertain to third party equipment in which Avaya resells. Support may be provided at the discretion of Avaya Services, Business Partners or other service providers. For additional information concerning long term support please contact your Service Provider. The Manufacturers Support policy can be found at:
http://support.avaya.com/elmodocs2/prodtran/20050601_Avaya_Manufacturer_Support_Policy.pdf

## Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on Services Offer Information web site http://support.avaya.com/japple/css/japple?PAGE=Home and on the Avaya internal portal under Services.

For additional Information about Avaya solutions, please visit the Avaya business solutions web site (www.avaya.com).
