End of New Contract & Renewals - Effective Date:	8/1/2015*
End Of Service Support - Effective Date:	8/1/2016*
Steps To Be Taken As a Result of this EOSS Notification :	Actions: Customers receiving this notification are directed to consult their Account Representative or an Avaya Authorized Business Partner to discuss upgrade / migration opportunities to the newer IP Deskphones.
	* Avaya Services may revise the End of Services Support date based on the availability of quality repair parts and/or technical support expertise. Customers should always consult any available product Services Support Notices on <b>https://support.avaya.com</b> for final information on product supportability.

Comments / Summary:	Avaya has announced the End of Sale date for all the above mentioned models of Avaya 46xx Series IP Deskphones. Now, Avaya is taking this series to End of Services Support effective August 1, 2016. All current contracts will be supported through
	the above EOSS effective date.

Please contact your Avaya Client Executive or Business Partner to discuss upgrades and migrations or other system upgrade as a result of this Notice. All contracts with current terms beyond the EOSS date of August 1, 2016 will need to take action to upgrade or the contract will be cancelled effective as of this date.

**Product Migration Path:** Existing customers using Avaya 46xx IP Deskphones are recommended to leverage mid/high-end one-X Deskphone 9600s and the one X Deskphone Value Edition 1600s. Customers now have multiple options to choose from in determining the best fit based on user profile and price. Avaya is committed to expanding and refining the lineup of 9600s and 1600s in the future. Further, Avaya highly recommends that this upgrade take place before August 1, 2016 in order to ensure that partner can receive continuous and uninterrupted Technical Support, if required.

For More Information on <u>Lifecycle Summary Matrix</u> Product Status:

Summary of Extended Support Status – Effective until End of Services Support Date: Avaya may discontinue or limit the scope of Maintenance Services for Supported Products that Avaya or a third party manufacturer has declared "end of life," "end of service," "end of support," "manufacture discontinue" or similar designation ("End of Support") effective as of the effective date of the manufacturer's End of Support notice. Following the effective date, Avaya Maintenance Services for manufacturer End of Support Products will be under the terms of "Extended Support." Extended Support will continue to provide the same maintenance services with the following exceptions: At the end of manufacturer support, Tier IV R&D product developer support and going-forward maintenance updates (e.g., Product Correction Notices ("PCN's"), "bug fixes," interoperability / usability solutions) are no longer provided by the manufacturer.

Therefore, certain complex faults or functionality issues may not be resolvable without the Customer upgrading the system to a version currently supported by the manufacturer. In addition, as replacement parts\* are manufacture discontinued, some products or components may become increasingly scarce or require replacement with substitute parts. This may result in delays in response or repair intervals, or may require upgrades to other components or the entire product itself replaced with manufacturer supported technology at Customer's expense in order to ensure compatibility and preserve Supported Product functionality.

\*Does not apply to Remote-Only Maintenance Service.

All active PCNs currently issued against these products will be honored until such time they are deemed inactive and no longer available. For more information on Avaya Extended Support click <u>here</u>
