

# End of Sale Notice

Notification Date: 20 September 2016

Revision Date: 14 December 2016

Effective Date: various

Subject: End of Sale – UPS (Uninterruptible Power Supply) portfolio

Theatre/Region: Global

## Revision History

| Revision Date     | Reason for change                                                              |
|-------------------|--------------------------------------------------------------------------------|
| 20 September 2016 | First release                                                                  |
| 29 September 2016 | Up-issued with Eaton alternatives and contact information.                     |
| 14 December 2016  | Up-issued to indicate removal of Power configuration tool on 12 December 2016. |

## Summary

This document provides notification for a phased end-of-sale of the Avaya UPS (Uninterruptible Power Supply) portfolio. Effective **on the dates shown below**, Avaya will no longer sell (make commercially available) the material codes listed in the tables below. This change is required due to the end-of-sale these products by the OEM supplier.

### Material Availability

As the End of Sale approaches, material availability may be reduced. Avaya has undertaken planning to support customer needs, however, should a shortage arise, priority will be based on the order of completion date. In some situations, the availability of product may allow us to extend the offer or require us to discontinue in advance of the planned end-of-sale date.

## Discontinued Order Codes

### Discontinued Codes (Group 1) – Effective 12 December 2016

| Material Code | Description                                    |
|---------------|------------------------------------------------|
| 700465289     | 9130 1000 120V RACK w/ SNMP Card               |
| 700465420     | 9130 3000 120V RACK w/ SNMP Card               |
| 700465453     | 9130 1000 VA Extended Battery Module           |
| 700465503     | 9130 PDM for 700 - 1500 VA Rack Mount UPS 120V |
| 700501389     | 9130 PDM for 3000 VA Rack Mount UPS 230V       |
| 700470016     | UPS ONLINE 8KVA TWR W/R 64 BAT 120V            |
| 700434681     | UPS EXT Batt Mod for 8-15k VA 96 (3-high)      |
| 700434798     | UPS ENVIRONMENTAL PROBE                        |

### Discontinued Codes (Group 2) – Effective 13 March 2017

| Material Code | Description                                 |
|---------------|---------------------------------------------|
| 700465305     | 9130 1500 120V RACK w/ SNMP Card            |
| 700465461     | 9130 1500 VA Extended Battery Module        |
| 700465438     | PW9130 3000 230V RACK W /SNMP CARD          |
| 700465487     | 9130 2000 - 3000 VA Extended Battery Module |
| 700501388     | 9130 PDM for 3000 VA Rack Mount UPS 120V    |

### Discontinued Codes (Group 3) – Effective 12 June 2017

| Material Code | Description                                   |
|---------------|-----------------------------------------------|
| 700465297     | 9130 1000 230V RACK W /SNMP CARD              |
| 700465412     | 9130 1500 230V RACK w/ SNMP Card              |
| 700465529     | 9130 PDM for 700- 1500 VA Rack Mount UPS 230V |
| 700434715     | UPS Online 20k VA Tower with internal Battery |
| 700434731     | UPS Ext Batt Mod 72 for 20k VA                |

## Migration Strategy

The Avaya UPS portfolio is sourced from Eaton. With the end-of-sale of the Avaya UPS portfolio, customers and channel partners are encouraged to source comparable products directly from Eaton or an authorized Eaton distributor. For additional assistance, contact Eaton directly at [AvayaUPS@Eaton.com](mailto:AvayaUPS@Eaton.com) or +1-800-322-4877.

Comparable Eaton products to the discontinued Avaya products are shown in the table below.

| Avaya Material Code | Avaya Description                    | Eaton Code                           | Eaton Description                     |
