

End of Sale Notice (Amendment)

Notification Date: **20-March-2020**

Revision Date: **14-February-2022**

Effective Date: **28-February-2021**

Theatre/Region: **Global**

Subject: **End of Sale – Meeting Exchange Rel6**

Revision History

Revision Date	Reason for change
20-Mar-2020	Initial version
14-Feb-2022	Removal of ASP 130 Hardware SKU's added in error.

Summary

Meeting exchange will be going end of sale given IX Meetings offers rich video collaboration and audio-conferencing platform integrated with the latest Aura releases. Also, IX meetings offers more flexible deployment models including HW and VM platforms. In compliment to this Spaces the cloud-based collaboration will also offer a much richer subscription model that can be leveraged for high capacity voice/video conferencing.

Effective **February 28, 2021** Avaya will no longer sell (make commercially available) **Meeting Exchange R6**

Note: Given MX is based on RHEL 6 no more OS security updates will be offered after the end of sale date – only application-based security will be provided.

Discontinued Order Codes and Migration Strategy
