NOBLE SYSTEMS

CallTech™ 3.6.6

Copyright and Third-Party License Notices

For Internal and Customer Use

Copyright © 2019 Noble Systems Corporation. All rights reserved.

Patents: Noble Systems Corporation products are covered under one or more patents. A complete listing of patents can be found at the following URL: <http://www.noblesys.com/company/legal/patents.aspx>

Noble, Noble Systems, and the Noble Systems logos are trademarks and/or trade names of Noble Systems Corporation. Noble Systems Corporation has trademark, service mark, and/or trade name protection for its products and/or services in the United States and other countries. For a complete list of Noble Systems Corporation's trademarks, please see <https://www.noblesystems.com/about-noble/intellectual-property/>. All other company names, product names, trademarks, service marks, and/or trade names are property of their respective owners.

Noble Systems software applications make use of individual third-party software tools, components, and/or applications ("Third-Party Software"). Such Third-Party Software may be subject to one or more third-party software licenses, and accordingly, your use of Noble Systems software applications may be subject to rights and restrictions set forth in the third-party software licenses governing such Third-Party Software. Those Third-Party Software programs and URLs (if available) are listed in the License Notices documentation. To request a copy of the License Notices, contact Noble Systems Support.

Noble Systems includes third-party product (non-Noble) references for your convenience; however, Noble Systems does not warrant the accuracy and/or performance of the products and/or materials or documentation of any other party, and Noble Systems disclaims any inaccuracy and/or performance problems of the products and/or materials or documentation of any other party. By including convenience references, Noble Systems is not endorsing any of the referenced products or materials.
