Avaya Global Software License Terms for the use of the Noble Software.

THESE GLOBAL SOFTWARE LICENSE TERMS ("**SOFTWARE LICENSE TERMS**") GOVERN THE USE OF NOBLE SYSTEMS CORPORATION ("NOBLE") PROPRIETARY SOFTWARE AND ASSOCIATED THIRD- PARTY PROPRIETARY SOFTWARE LICENSED THROUGH AVAYA. READ THESE SOFTWARE LICENSE TERMS CAREFULLY, IN THEIR ENTIRETY, BEFORE INSTALLING, DOWNLOADING OR USING THE SOFTWARE (AS DEFINED IN SECTION A BELOW). BY INSTALLING, DOWNLOADING OR USING THE SOFTWARE, OR AUTHORIZING OTHERS TO DO SO, YOU, ON BEHALF OF YOURSELF AND THE ENTITY FOR WHOM YOU ARE DOING SO (HEREINAFTER REFERRED TO INTERCHANGEABLY AS "**YOU**," "**YOUR**," AND "**END USER**"), AGREE TO THESE SOFTWARE LICENSE TERMS AND CONDITIONS AND CREATE A BINDING CONTRACT BETWEEN YOU AND AVAYA INC. OR THE APPLICABLE AVAYA AFFILIATE ("**AVAYA**"). IF YOU ARE ACCEPTING THESE SOFTWARE LICENSE TERMS ON BEHALF OF A COMPANY OR OTHER LEGAL ENTITY, YOU REPRESENT THAT YOU HAVE THE AUTHORITY TO BIND SUCH ENTITY TO THESE SOFTWARE LICENSE TERMS. IF YOU DO NOT HAVE SUCH AUTHORITY OR DO NOT WISH TO BE BOUND BY THESE SOFTWARE LICENSE TERMS, SELECT THE "DECLINE" BUTTON AT THE END OF THESE SOFTWARE LICENSE TERMS OR THE EQUIVALENT OPTION.

A. Definitions

- (i) "**Affiliate**" means any entity that is directly or indirectly controlling, controlled by, or under common control with Avaya Inc. or End User. For purposes of this definition, "control" means the power to direct the management and policies of such party, directly or indirectly, whether through ownership of voting securities, by contract or otherwise; and the terms "controlling" and "controlled" have meanings correlative to the foregoing.
- (ii) "**Documentation**" means the end user manuals (as updated from time to time by Noble) for the Software that are generally made available by Noble to users of Software. Documentation does not include marketing materials.
- (iii) "**Software**" means Noble owned or licensed computer programs in object code, provided by Avaya or an Avaya Channel Partner, whether as stand-alone products or pre- installed on hardware products, and any upgrades, updates, patches, bug fixes, or modified versions thereto. End User shall have no rights or licenses to the source code for the Software.

B. Scope. These Software License Terms are applicable to anyone who installs, downloads, and/or uses Noble owned or licensed Software and/or Documentation, obtained from Avaya or an Avaya reseller, distributor, direct partner, system integrator, service provider or other partner authorized to provide Software to End Users in the applicable territory (collectively "**Avaya Channel Partner**"). Some or all of the Software may be remotely hosted or accessible to You through the Internet. You are not authorized to use the Software if the Software was obtained from anyone other than Avaya or an Avaya Channel Partner. The Noble owned or licensed Software is considered a "Third Party Product," "third party product," or the like for the purposes of any applicable purchase agreement you have with Avaya.

C. License Grant. Avaya grants You a non-sublicensable, non-exclusive, non-transferable license to use Software and associated Documentation obtained from Avaya or an Avaya Channel Partner, and for which applicable fees have been paid, for Your internal business purposes at the indicated capacity and features and within the scope of the applicable license types described below and at locations where the Software is initially installed. Licenses provided under these Software License Terms are for a perpetual duration, unless (i) otherwise specified in the order or (ii) the license is provided as part of a service or subscription, in which case the license grant will be limited to the duration specified on the order or in the service or subscription Documentation. Documentation shall be used only in support of the authorized use of the associated Software. You may use install and operate the Software only at the site where initially delivered or the site approved by Avaya (the "Site"). The Software shall not be moved or transferred from the Site to a different site or location without prior written consent of Avaya.

D. Non-Production License Grant. With respect to Software distributed by Avaya to You for non-production purposes, the scope of the license granted herein shall be to use the Software in a non-production environment solely for testing or other noncommercial purposes on a single computer or as otherwise designated by Avaya. You are entitled to a non-production use instance of the Software only where You have purchased and paid for a license for such non-production instance and use of the Software.

E. All Rights Reserved. Avaya or its licensors retain title to and ownership of the Software, Documentation, and any modifications or copies thereof. Except for the limited license rights expressly granted in these Software License Terms, Avaya or its licensors reserve all rights, including without limitation copyright, patent, trade secret, and all other intellectual property rights, in and to the Software and Documentation and any modifications or copies thereof. The Software contains trade secrets of Avaya, its suppliers, or licensors, including but not limited to the specific design, structure and logic of individual Software programs, their interactions with other portions of the Software, both internal and external, and the programming techniques employed.

F. Disclaimer. Any software security feature is not a guaranty against malicious code, deleterious routines, and other techniques and tools employed by computer "hackers" and other third parties to create security exposures. Compromised passwords represent a major security risk. Avaya encourages You to create strong passwords using three different character types, change Your password regularly and refrain from using the same password regularly. You must treat such information as confidential. You agree to notify Avaya immediately upon becoming aware of any unauthorized use or breach of Your user name, password, account, or subscription. You are responsible for ensuring that Your networks and systems are adequately secured against unauthorized intrusion or attack and regularly back up of Your data and files in accordance with good computing practices.

G. General License Restrictions. To the extent permissible under applicable law, You agree not to: (i) decompile, disassemble, reverse engineer, reverse translate or in any other manner decode the Software; (ii) alter, modify or create any derivative works or enhancements, adaptations, or translations of the Software or Documentation; (iii) sell, sublicense, lease, rent, loan, assign, convey or otherwise transfer the Software or Documentation except as expressly authorized by Avaya in writing, and any attempt to do so is void; (iv) distribute, disclose or allow use of the Software or Documentation, in any format, through any timesharing service, service bureau, network or by any other similar means, such as hosting or cloud, except as expressly authorized by Avaya in writing; (v) allow any service provider or other third party, with the exception of Avaya's authorized maintenance providers who are acting solely on behalf of and for the benefit of End User, to use or execute any software commands that facilitate the maintenance or repair of any product; (vi) gain access to or the use of any Software or part thereof without authorization from Avaya; (vii) enable or activate, or cause, permit or allow others to enable or activate any logins reserved for use by Avaya or Avaya's authorized maintenance providers; (viii) publish the results of any tests run on the Software; (ix) disclose, provide, or otherwise make available to any third party any trade secrets contained in the Software or Documentation; (x) use the Software in a virtualized environment except as expressly authorized by these Software License Terms, or (xi) permit or encourage any third party to do any of the foregoing.

End User agrees not to allow anyone other than its authorized employees, agents or representatives who have a need to use the Software or Documentation to have access to the Software or Documentation. End User agrees to inform any third party to whom You give access to the Software or Documentation of these Software License Terms and shall obligate such third party to comply with such terms and provisions. End User shall be responsible for End User and any authorized third party's failure to comply with these Software License Terms and shall indemnify Avaya for any damages, loss, expenses or costs, including attorneys' fees and costs of suit, incurred by Avaya as a result of noncompliance with this Section.

Additional License Restrictions Applicable to the EU. Notwithstanding the limitations in Sections C and G, solely to the extent an End User's resale rights cannot be precluded or restricted by mandatory applicable law, End Users located in a member state of the European Union may resell licenses subject to the following conditions:

- (i) Prior to resale of a license, End User will promptly, but not less than 30 days prior to a resale, notify Avaya in writing of its intention to resell a license.
- (ii) Unless expressly agreed otherwise in writing, End User will not be permitted to resell less than its entire license to a buyer.
- (iii) End User will resell the Software subject to these Software License Terms and shall ensure that the buyer is bound by these Software License Terms.
- (iv) Upon resale of a license, End User shall immediately and permanently cease all use of and destroy all copies of the Software and any related materials in End User's possession or control and, upon Avaya's request, certify such destruction in writing. Avaya may audit End User's compliance with the foregoing in accordance with Section K below.
- (v) End User will keep appropriate records of all license resale including, but not limited to, the name and location of the buyer and the number and types of licenses resold.
- (vi) End User acknowledges that: (a) resale of a license is subject to any relevant Third Party Terms; (b) maintenance services do not cover system errors caused by license resale not performed by Avaya; (c) Avaya is not responsible for any programming, administration, design assurance, translation or other activity to make sure the Software will scale and perform as specified as a result of any license resale, and if any such resale results in a requirement for Avaya system engineering or requires the use of onsite Avaya personnel, End User will be charged the then applicable Avaya time and materials rates for such activity; (d) any resale of a maintenance services agreement between Avaya and the original licensee is subject to Avaya's prior written approval. Avaya reserves the right to withhold such approval and/or offer the new licensee a maintenance services agreement subject to different terms and conditions; and (e) if not expressly agreed by Avaya in writing otherwise, the resale of licenses does not entitle the End User to cancel or partially cancel a maintenance services agreement during the agreed term.
- (vii) If the Software is rightfully located in a member state of the European Union and End User needs information about the Software in order to achieve interoperability of an independently created software program with the Software, End User will first request such information from Avaya. Avaya may charge End User a reasonable fee for the provision of such information. End User agrees to protect such information in accordance with Section Q below, and shall use such information only in accordance with the terms and conditions under which Avaya provides such information. To the extent that the End User is expressly permitted by applicable mandatory law to undertake any activities related to achieving interoperability of an independently created software program with the Software, End User will not exercise those rights until End User has given Avaya twenty (20) days written notice of its intent to exercise any such rights.

H. Proprietary Rights Notices. You agree to retain, in the same form and location, all proprietary legends and/or logos of Avaya and/or Avaya's suppliers on any permitted copies of the Software or Documentation.

I. Backup Copies. End User may create an archival, emergency back-up, and/or disaster recovery instance/copy of the Software only where You have purchased and paid for a license for such an instance/copy of the Software for such purpose.

J. Upgrades. End User's right to use any upgrades to the Software shall be conditioned upon End User having a valid license to use the original Software and paying the applicable license fee to Avaya or an Avaya Channel Partner for such upgrade.

K. Warranty. Avaya warrants that, for a period of 80 (eighty) days from date of shipment (or, where downloaded electronically, from the sooner to occur of electronic download of the Software or the 30th day following the date Software is made available by Avaya or Noble for download (the "Software Warranty Period"), the Software is capable of performing the functions described in the Documentation in all material respects when used in accordance with this Agreement and the applicable Documentation (the "Specifications Warranty").

If the Software fails to meet the Specifications Warranty and End User provides written notice of such failure that is received by Avaya during the Software Warranty Period, Avaya shall, within 30 days (the "Cure Period") of the date of its receipt of such written notice and at its expense and its option, either:

- (i) make reasonable efforts through the provision of technical support to attempt to correct such failure, or
- (ii) replace the Software with Software that complies with the Specifications Warranty.

Avaya is not responsible for problems caused by: (a) use of the Software outside the scope of this Agreement; (b) use of the Software in a manner that is not consistent with the Documentation, the Order, or this Agreement, (c) changes in, or modifications to, the operating characteristics of any computer hardware, software or data for which the Software is procured which were not previously authorized in writing by Avaya or Noble; (d) use of the Software with hardware, data or software that is not compatible with the Software; (e) changes to any component of the designated system on which the Software is installed; (f) improper installation of the Software by a party other than Avaya or Noble or in a manner inconsistent with the Software requirements, (g) End User's telecommunications services or other providers, (h) accident, physical, electrical or magnetic stress, unauthorized alterations, failure of electric power, environmental controls, or causes other than ordinary use, (i) failure to implement workarounds, fixes or corrections provided by Avaya or Noble or (j) other causes disclaimed as not covered by or subject to technical support.

NEITHER AVAYA NOR ITS SUPPLIERS MAKE ANY WARRANTY, EXPRESS OR IMPLIED, THAT SECURITY THREATS AND VULNERABILITIES WILL BE DETECTED OR SOFTWARE WILL RENDER AN END USER'S NETWORK OR PARTICULAR NETWORK ELEMENTS SAFE FROM INTRUSIONS AND OTHER SECURITY BREACHES. AVAYA DOES NOT WARRANT UNINTERRUPTED OR ERROR FREE OPERATION. **EXCEPT AS REFERENCED AND LIMITED IN THIS SECTION, NEITHER AVAYA NOR ITS LICENSORS OR SUPPLIERS MAKE ANY EXPRESS REPRESENTATIONS OR WARRANTIES ABOUT ANY MATTER UNDER THIS AGREEMENT. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, AVAYA DISCLAIMS ALL IMPLIED OR STATUTORY WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. THE WARRANTY REMEDIES EXPRESSLY PROVIDED IN THIS AGREEMENT WILL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES.** Please note that if You are acquiring the Software from an Avaya Channel Partner outside the United States of America or Canada, any warranty is provided to You by said Avaya Channel Partner and not by Avaya.

L. Compliance. Avaya and the Avaya Channel Partner who provided the Software have the right to inspect and/or audit (i) by remote polling or other reasonable electronic means at any time and (ii) in person during normal business hours and with reasonable notice End User's books, records, and accounts, to determine End User's compliance with these Software License Terms, including but not limited to usage levels. Software that is licensed based on usage levels (if any) permits Noble or Avaya to electronically and remotely track usage; End User shall not interfere with or otherwise attempt to prevent or disable Noble's or Avaya's access to the Software for such usage tracking. In the event such inspection or audit uncovers non-compliance with these Software License Terms, then without prejudice to Avaya's termination rights hereunder, End User shall promptly pay Avaya any applicable license fees. End User agrees to keep a current record of the location of the Software. The Software security devices may deactivate the Software, where installed in a VMware environment/virtual instance, if it is detected that unauthorized copying of the Software may be occurring.

M. Termination of License; Effect of Termination/ Expiration. If You breach these Software License Terms and if within ten (10) business days of Avaya's written request to cure, You have not cured all breaches of license limitations or restrictions, Avaya may, with immediate effect, terminate the licenses granted in these Software License Terms without prejudice to any available rights and remedies Avaya may have at law or in equity. Upon termination or expiration of the license for any reason, You must immediately destroy all copies of the Software and any related materials in Your possession or control and, upon Avaya's request, certify such destruction in writing. The provisions concerning confidentiality, the protection of trade secrets and proprietary rights, license restrictions, export control, and all limitations of liability and disclaimers and restrictions of warranty (as well as any other terms which, by their nature, are intended to survive termination) will survive any termination or expiration of the Software License Terms. In the event that Avaya terminates this Agreement or any Software license granted to End User hereunder, Avaya may, in addition to the other remedies set forth in this Agreement, deactivate the Software. To do so, Avaya may employ an automatic deactivation and disabling feature which may already be contained in the Software (the "Feature"). **IN NO EVENT SHALL AVAYA OR NOBLE BE LIABLE TO END USER FOR ANY LOSSES OR DAMAGES, INCLUDING WITHOUT LIMITATION ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL LOSSES OR DAMAGES (INCLUDING DAMAGES FOR LOST PROFITS) ARISING OUT OF, RESULTING FROM OR RELATING TO THE DEACTIVATION FEATURE.**

N. License Types.

You are licensed to use the Software only with the licensed number of, as applicable, per "Instance" licenses, per Server licenses, Concurrent User licenses, Named User licenses as restricted for use with such Software and for which You purchased a license and have paid the applicable license fees. Unauthorized use of the Software, including, without limitation, use that exceeds or is in violation of the scope of or the limitations on authorized users/named users/concurrent user licenses (as applicable), may impact or affect the performance of the Software, and Avaya, its suppliers, or licensors shall not be responsible for any such impact or affect and Software support, maintenance and technical services provided by Avaya, if any, shall not apply to or cover any of the foregoing. You are responsible for ensuring that the Software is installed for use on hardware and with software and operating systems compliant with the specifications and requirements for such Software as set forth in the then current Documentation and otherwise published to You by Avaya and required for Your use of the Software with the number of applicable types of User licenses purchased for use with such Software. Where the Software is subject to software support or maintenance services with Avaya, You cannot use User licenses (regardless of type) purchased by You for use with the Software if the applicable User licenses are not also subject to software support or maintenance services with Avaya.

"Designated Processor" means a single stand-alone computing device, such as, a CPU core or digital signal processing core dedicated to the execution of the Software.

"Instance" means a single copy of the Software executing at a particular time: (i) on one physical machine; or (ii) on one deployed software virtual machine or similar deployment.

"Server" means a set of Designated Processors that hosts (physically or virtually) a software application to be accessed by multiple users.

Concurrent User License (CU). End User may install and use the Software on multiple Designated Processors or one or more Servers, so long as only the licensed number of Units are accessing and using the Software at any given time. A **"Unit"** means the unit on which Avaya, at its sole discretion, bases the pricing of its licenses and can be, without limitation, an agent, port or user, an e-mail or voice mail account in the name of a person or corporate function (e.g., webmaster or helpdesk), or a directory entry in the administrative database utilized by the Software that permits one user to interface with the Software. Units may be linked to a specific, identified Server or an Instance of the Software.

Named User License (NU). You may: (i) install and use each copy or Instance of the Software on a single Designated Processor or Server per authorized Named User (defined below); or (ii) install and use each copy or Instance of the Software on a Server so long as only authorized Named Users access and use the Software. "Named User," means a user or device that has been expressly authorized by Avaya to access and use the Software. At Avaya's sole discretion, a "Named User" may be, without limitation, designated by name, corporate function (e.g., webmaster or helpdesk), an e-mail or voice mail account in the name of a person or corporate function, or a directory entry in the administrative database utilized by the Software that permits one user to interface with the Software.

O. Third Party Components. You acknowledge certain software programs or portions thereof included in the Software may contain software (including open source software) distributed under third party agreements ("**Third Party Components**"), which contain terms regarding the rights to use certain portions of the Software ("**Third Party Terms**"). As required, information regarding distributed Linux OS source code (for those Products that have distributed Linux OS source code) and identifying the copyright holders of the Third Party Components and the Third Party Terms that apply is available in the Products, Documentation or on Avaya's website at: <http://support.avaya.com/Copyright> (or such successor site as designated by Avaya). The open source software license terms provided as Third Party Terms are consistent with the license rights granted in these Software License Terms, and may contain additional rights benefiting You, such as modification and distribution of the open source software. The Third Party Terms shall take precedence over these Software License Terms, solely with respect to the applicable Third Party Components, to the extent that these Software License Terms impose greater restrictions on You than the applicable Third Party Terms.

P. Limitation of Liability. EXCEPT FOR PERSONAL INJURY CLAIMS OR WILLFUL MISCONDUCT, AND TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, NEITHER AVAYA, AVAYA AFFILIATES, THEIR LICENSORS OR SUPPLIERS, NOR ANY OF THEIR DIRECTORS, OFFICERS, EMPLOYEES, OR AGENTS SHALL BE LIABLE FOR (i) ANY INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, STATUTORY, INDIRECT OR CONSEQUENTIAL DAMAGES, (ii) ANY LOSS OF PROFITS OR REVENUE, LOSS OR CORRUPTION OF DATA, TOLL FRAUD, OR COST OF COVER, SUBSTITUTE GOODS OR PERFORMANCE, OR (iii) ANY DIRECT DAMAGES ARISING UNDER THESE SOFTWARE LICENSE TERMS IN EXCESS OF THE FEES PAID FOR THE SOFTWARE GIVING RISE TO THE CLAIM IN THE TWELVE MONTH PERIOD IMMEDIATELY PRECEDING THE DATE THE CLAIM AROSE. REGARDLESS OF WHETHER YOU WERE ADVISED, HAD OTHER REASON TO KNOW, OR IN FACT KNEW OF THE POSSIBILITY THEREOF AND REGARDLESS OF WHETHER THE LIMITED REMEDIES FAIL THEIR ESSENTIAL PURPOSE, THESE LIMITATIONS OF LIABILITY IN THIS SECTION WILL APPLY TO ANY DAMAGES, HOWEVER CAUSED, AND ON ANY THEORY OF LIABILITY, WHETHER FOR BREACH OF CONTRACT, TORT (INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE), OR OTHERWISE.

Q. Protection of Software and Documentation. End User acknowledges that the Software and Documentation are confidential information of Avaya and its suppliers and contain trade secrets of Avaya and its suppliers. End User agrees at all times to protect and preserve in strict confidence the Software and Documentation using no less than the level of care End User uses to protect its own information of a confidential nature and to implement reasonable security measures to protect the trade secrets of Avaya and its suppliers.

R. Privacy. When downloading or using the Software, Avaya might process certain data about You, Your network and Your device (e.g., email address, phone - extension number, device IDs, IP addresses, location, etc.). Avaya will keep Your data confidential and will only use

Your data to the extent necessary to execute these Software License Terms and to ensure compliance with these Software License Terms. In case such data identifies or may be used to identify an individual ("**Personal Data**"), this Personal Data will generally not leave the Avaya group Affiliates and will only be transmitted to third parties if necessary for the above. Avaya will ensure in such case that all applicable data protection requirements are met, especially regarding international data transfers. For Avaya Affiliates this is achieved through the Avaya Binding Corporate Rules, which are published on the Avaya website mentioned below, for international transfers to other third parties this will be ensured through standard data protection clauses adopted by the EU-Commission or other appropriate safeguards. Your data will only be stored for the time necessary to achieve the above purpose or if statutory retention periods require longer storage times, for such longer time. Respective data subjects have the right to request access to and rectification or erasure of their Personal Data and can request restriction of processing of their Personal Data. They have the right to data portability, subject to the respective statutory requirements as well as the right to lodge a complaint with a competent supervisory authority. For more information on data subject rights or in case of any questions related to Avaya processing Personal Data, please refer to the Documentation and its Global Privacy Website available at <https://www.avaya.com/en/privacy/website/>. Notwithstanding the foregoing, You understand and agree that Avaya (and its licensors and suppliers) uses data captured by the Software regarding how licensees use the Software in order to improve the Software, technical support and training for the Software.

S. High Risk Activities. The Software is not fault-tolerant and is not designed, manufactured or intended for any use in any environment that requires fail- safe performance in which the failure of the Software could lead to death, personal injury or significant property damage ("**High Risk Activities**"). Such environments include, among others, control systems in a nuclear, chemical, biological or other hazardous facility, aircraft navigation and communications, air traffic control, and life support systems in a healthcare facility. End User assumes the risks for its use of the Software in any such High Risk Activities.

T. Import/Export Control. End User is advised that the Software is of U.S. origin and subject to the U.S. Export Administration Regulations ("**EAR**"). The Software also may be subject to applicable local country import/export laws and regulations. Diversion contrary to U.S. and/ or applicable local country law and/ or regulation is prohibited. You agree not to directly or indirectly export, re-export, import, download, or transmit the Software to any country, end user or for any use that is contrary to applicable U.S. and/ or local country regulation or statute (including but not limited to those countries embargoed by the U.S. government). You represent that any governmental agency has not issued sanctions against the End User or otherwise suspended, revoked or denied End User's import/export privileges. You agree not to use or transfer the Software for any use relating to nuclear, chemical or biological weapons, or missile technology, unless authorized by the U.S. and or any applicable local government by regulation or specific written license. Additionally, You are advised that the Software may contain encryption algorithm or source code that may not be exported to government or military end users without a license issued by the U.S. BIS and any other country's governmental agencies, where applicable.

U. U.S. Government End Users. The Software is classified as "commercial computer software" and the Documentation is classified as "commercial computer software documentation" or "commercial items," pursuant to 48 CFR FAR 12.212 or DFAR 227.7202, as applicable. Any use, modification, reproduction, release, performance, display or disclosure of the Software or Documentation by the Government of the United States shall be governed solely by the terms of these Software License Terms and shall be prohibited except to the extent expressly permitted by these Software License Terms, and any use of the Software and/ or Documentation by the Government constitutes agreement to such classifications and to these Software License Terms.

V. Acknowledgement. End User acknowledges that certain Software may contain programming that: (i) restricts, limits and/or disables access to certain features, functionality or capacity of such Software subject to the End User making payment for licenses to such features, functionality or capacity; or (ii) periodically deletes or archives data generated by use of the Software and stored on the applicable storage device if not backed up on an alternative storage medium after a certain period of time; or (iii) may rely on a third party analytics service to collect and generate aggregated user data which Avaya may use to improve product performance and its functionality. For Google Analytics, please refer to the following website for more information: <http://www.google.com/policies/privacy/partners/> (or such successor site as designated by Google). By accepting these Software License Terms and continued use of the Software, service, or subscription, You consent to the use of such an analytics service to analyze such data.

W. Compliance with Law. End User shall comply with all applicable foreign, federal, state and local laws and regulations applicable to End User and End User's use of the Software, including, without limitation, all applicable laws regarding privacy and personally identifiable information.

X. Miscellaneous. These Software License Terms and any dispute, claim or controversy arising out of or relating to these Software License Terms ("**Dispute**"), including without limitation those relating to the formation, interpretation, breach or termination of these Software License Terms, or any issue regarding whether a Dispute is subject to arbitration under these Software License Terms, will be governed by New York State laws, excluding conflict of law principles, and the United Nations Convention on Contracts for the International Sale of Goods. Any Dispute shall be resolved in accordance with the following provisions. The disputing party shall give the other party written notice of the Dispute. The parties will attempt in good faith to resolve each Dispute within thirty (30) days, or such other longer period as the parties may mutually agree, following the delivery of such notice, by negotiations between designated representatives of the parties who have dispute resolution authority. If a Dispute that arose anywhere other than in the United States or is based upon an alleged breach committed anywhere other than in the United States cannot be settled under these procedures and within these timeframes, it will be conclusively determined upon request of either party by a final and binding arbitration proceeding to be held in accordance with the Rules of Arbitration of the International Chamber of Commerce by a single arbitrator appointed by the parties or (failing agreement) by an arbitrator appointed by the President of the International Chamber of Commerce (from time to time), except that if the aggregate claims, cross claims and counterclaims by any one party against any or all other parties exceed One Million US Dollars at the time all claims, including cross claims and counterclaims are filed, the proceeding will be held in accordance with the Rules of Arbitration of the International Chamber of Commerce by a panel of three arbitrator(s).

appointed in accordance with the Rules of Arbitration of the International Chamber of Commerce. The arbitration will be conducted in the English language, at a location agreed by the parties or (failing agreement) ordered by the arbitrator(s). The arbitrator(s) will have authority only to award compensatory damages within the scope of the limitations of these Software License Terms and will not award punitive or exemplary damages. The arbitrator(s) will not have the authority to limit, expand or otherwise modify the terms of these Software License Terms. The ruling by the arbitrator(s) will be final and binding on the parties and may be entered in any court having jurisdiction over the parties or any of their assets. The parties will evenly split the cost of the arbitrator(s)' fees, but each party will bear its own attorneys' fees and other costs associated with the arbitration. The parties, their representatives, other participants and the arbitrator(s) will hold the existence, content and results of the arbitration in strict confidence to the fullest extent permitted by law. Any disclosure of the existence, content and results of the arbitration shall be as limited and narrowed as required to comply with the applicable law. By way of illustration, if the applicable law mandates the disclosure of the monetary amount of an arbitration award only, the underlying opinion or rationale for that award may not be disclosed.

If a Dispute by one party against the other that arose in the United States or is based upon an alleged breach committed in the United States cannot be settled under the procedures and within the timeframe set forth above, then either party may bring an action or proceeding solely in either the Supreme Court of the State of New York, New York County, or the United States District Court for the Southern District of New York. Except as otherwise stated above with regard to arbitration of Disputes that arise anywhere other than in the United States or are based upon an alleged breach committed anywhere other than in the United States, each party to these Software License Terms consents to the exclusive jurisdiction of those courts, including their appellate courts, for the purpose of all actions and proceedings.

The parties agree that the arbitration provision in this Section may be enforced by injunction or other equitable order, and no bond or security of any kind will be required with respect to any such injunction or order. Nothing in this Section will be construed to preclude either party from seeking provisional remedies, including but not limited to temporary restraining orders and preliminary injunctions from any court of competent jurisdiction in order to protect its rights, including its rights pending arbitration, at any time. In addition and notwithstanding the foregoing, Avaya shall be entitled to take any necessary legal action at any time, including without limitation seeking immediate injunctive relief from a court of competent jurisdiction, in order to protect Avaya's intellectual property and its confidential or proprietary information (including but not limited to trade secrets).

If any provision of these Software License Terms is determined to be unenforceable or invalid, these Software License Terms will not be rendered unenforceable or invalid as a whole, and the provision will be changed and interpreted so as to best accomplish the objectives of the original provision within the limits of applicable law. The failure to assert any rights under the Software License Terms, including, but not limited to, the right to terminate in the event of breach or default, will not be deemed to constitute a waiver of the right to enforce each and every provision of the Software License Terms in accordance with their terms. If you move any Software, and as a result of such move, a jurisdiction imposes a duty, tax, levy or fee (including withholding taxes, fees, customs or other duties for the import and export of any such Software), then you are solely liable for, and agree to pay, any such duty, taxes, levy or other fees.

Y. Agreement in English. The parties confirm that it is their wish that these Software License Terms, as well as all other documents relating hereto, including all notices, have been and shall be drawn up in the English language only. Les parties aux présentes confirment leur volonté que cette convention, de même que tous les documents, y compris tout avis, qui s'y rattachent, soient rédigés en langue anglaise.
