## Revision History

| Revision Date  | Reason for change          |
|----------------|----------------------------|
| March 29, 2022 | Initial version            |
| April 6, 2022  | Updated migration strategy |

## Summary

This document provides notice for the End of Sale of the 3PCC (Open SIP) hardware codes for Avaya J100 IP Phones and Avaya B179 Conference Phone.

The effective End of Sale date for the material codes identified in this notice is June 14, 2022. As of this date, or when stock is depleted, these materials will no longer be available for sale. Avaya, at Avaya's discretion and depending on available quantities may substitute equivalent or similar materials. Note that in the case of substitutions there may be slight differences such as icon button labeling instead of English button labeling on the physical keys of the device.

\*\*Avaya Services may revise the Target End of Services Support date based on the availability of quality repair parts and/or technical support expertise. Customers should always consult any available product Services Support Notices for final information on product supportability.

## Service and Warranty

Avaya will continue to honor previously executed enhanced warranty, post-warranty and service contracts in accordance with the terms of those agreements. Avaya is not responsible for any support or maintenance commitments made by Business Partners or other service providers. Additional information concerning Avaya Services can be found on the [Services Offer Information](#) Web site.

Renewals of existing Avaya service contracts covering this product will be allowed until further notice.

## Supply Availability

Avaya will make every effort to supply the discontinued models for all orders but cannot guarantee product availability through the End of Sale date. Avaya reserves the right to manage and/or limit order quantities, or to cancel orders if supply is no longer available. Customer orders will be fulfilled on a first-come, first-served basis. If supply is exhausted prior to the targeted End of Sale date in this notice, Avaya will accelerate removal of the applicable product codes from price lists and associated order entry systems. If supply is no longer available requiring order cancellation, customers will be notified to re-order with the appropriate replacement order code.
